In loving memory of our father, Baxter (Lyle) C. Phelps, who passed away one year ago, October 6, 1976.
We miss your loving smile and tender care,
That lasted not just a while, but every day of the year.

Each day we think of you and hold back the tears,
Because we cherish each day
Anew,
Our memory of you Father dear.

God gave me strength and courage
To meet the blow,
But what it meant to lose you
No one will ever know.
I still have sweet memories,
And often call your name.
Life is hard to bear without you
And will never be the same
Sadly missed by wife, Virginia

Brownie Troops

Tour Appomattox' Historical Park

On September 24, 1977, Brownie Troop 306 and a newly formed Brownie troop toured historical Appomattox Courthouse. Brownie Troop 306 was accompanied by their leaders Mrs. Mildred Thompson, Mrs. Thelma Knight, Mrs. Nancy Mayberry, and Mrs. Barbara Mayberry, and assisted by Mrs. Louise Layne, Mrs. Margaret Lockner, and Mrs. Brenda Vassar. After the tour, Troop 308 left the Park for a "nosebag" lunch at the Appomattox River Wayside, and then visited the area used for a campsite by General Lee. The new Brownie Troop was accompanied by their leaders Mrs. Nancy Litchford and Mrs. Billie Carter, and assisted by Mrs. Serena Mosley and Mrs. Peggy Romanac. Following this tour, Mrs. Litchford's troop visited Mrs. L. Garcia, whose husband is the Park's Superintendent, where they played games and had a picnic with a large bowl of punch provided by Mrs. Garcia. The two Brownie Troops enjoyed their outing together very much, and are now looking forward to participating in the Railroad Festival Parade on October 8, 1977.

DMV TO REPLACE 5-YR. OLD PLATES IF WORN OR DAMAGED, HILL SAYS

Vehicle owners whose license plates are at least five years old and in poor condition may get new ones at their next registration renewal, according to Vern L. Hill, commissioner, Division of Motor Vehicles.

"We encourage people to keep their plates if they are in good condition," Hill said, "but worn, faded or damaged plates may be replaced at no charge beyond the regular renewal fees." Although there is no requirement that old plates be turned in to DMV, Hill said that those which are will be recycled.

Hill emphasized that retention of plates in good condition saves taxpayer money. "When we implemented the decal system in October 1972, it was primarily to save money, and we have. Four decals cost five cents to produce, compared to 70 cents to manufacture two license plates. Since there are 3.6 million registered vehicles in Virginia, this means considerable savings."

"Even greater savings are realized in postage for some 750,000 people who renew their vehicle registrations by mail each year," Hill said. "It costs 74 cents to mail a set of license plates, and 13 cents to mail the decals. The postage savings alone amount to nearly half a million dollars," he added.

"In addition to these savings, we are helping to conserve both metal used for the plates and energy used in manufacturing them," Hill said. "We also find that most people like keeping the same license number from year to year."
